# Keynote Address Speaker

Professor Marlene Holmner

Topic: AI for a Sustainable Future: Advancing Information, Communication, and Libraries for Innovation, Access, and Ethics Across Disciplines.

Professor Marlene Holmner, an Associate Professor and Head of the Department of Information Science at the University of Pretoria, South Africa, brings extensive expertise in Information Science to her keynote address. Holding a DPhil in Information Science, her work spans Information Ethics, Indigenous Knowledge, ICT for Development, the Information and Knowledge Society, Institutional Repositories, Digitization, Mobile Technologies, and Curriculum Development.

Widely published in journals such as \*South African Journal of Libraries and Information Science\*, \*Information Development\*, and \*Library Hi-Tech\*, Dr. Holmner is also a regular speaker at major conferences, including ProLISSA, IFLA, ALA, iConference, and SIG GlobDev. She has held roles as program chair and co-chair at various workshops, showcasing her leadership in the field.

In her teaching at the University of Pretoria, Dr. Holmner guides both undergraduate and postgraduate students and supervises numerous Master's and PhD candidates. A Microsoft Certified Professional, she actively contributes to professional organizations like the Library and Information Association of South Africa (LIASA), the African Centre of Excellence for Information Ethics (ACEIE), and the Association for Information Science and Technology (ASSIST).

# Keynote Speakers

1. **Professor Peter Gatiti**

- **Title:** Associate Vice Provost and University Librarian, Aga Khan University, Nairobi, Kenya, and the Chair, Kenya Library Association (KLA).
- **Topic:** *Ethical AI and Responsible Innovation*

2. **Marco van Hout**

- **Title:** Creative Director and Co-founder, Digital Society School, Amsterdam University of Applied Sciences, Netherlands
- **Topic:** *AI for Digital Transformation and Sustainable Innovation*

3. **Honorable Sagir Musa Ahmed**

- **Title:** Commissioner of Information, Youth, Sport, and Culture, Jigawa State, Nigeria
- **Topic:** *AI-Driven Knowledge Discovery in Libraries and Information Centers*

4. **Dr. Carolyn Nyaboke Musembe**

- **Title:** Lecturer and Researcher, Technical University of Kenya, Nairobi, Kenya
- **Topic:** *AI Applications in Archives and Records Management*

5. **John Mwazemba**

- **Title:** Regional Director for East Africa, Oxford University Press
- **Topic:** *Human-AI Collaboration in Publishing, Creative, and Cultural Industries*

6. **Professor Kellen Kiambati**

- **Title:** Director, Resource Mobilization and International Programmes
- **Topic:** *AI-Enhanced Research and Interdisciplinary Collaboration*

7. **Dr. Sola Owolabi**

- **Title:** Lecturer and Librarian, Bells University of Technology; Researcher, Digital Society School, Amsterdam
- **Topic:** *AI in Bibliotherapy and Cinematherapy*

8. **Brenda Betty Kiema**

- **Title:** Disability Inclusion Officer, Tangaza University, Nairobi, Kenya
- **Topic:** *AI for Accessibility and Personalized Engagement*

9. **Damilare Oyedele**

- **Title:** Co-founder and Chief Executive, Library Aid Africa
- **Topic:** *AI for Sustainable Development Goals (SDGs) and Societal Impact*

10. **Joel Onditi**

**Title:** CEO and President of Pathways Technologies LTD

**Topic:** *AI in Education and Learning System | AI in Digital Transformation*

# Conference Planning Committee

## Chair ICSKS 2025

Dr. A.J. Alonge, a distinguished academic and practitioner, is a Visiting Scholar at Karatina University in Kenya, actively engaged in teaching and research initiatives that explore the intersection of technology and sustainability in library and information science. He also serves as a lecturer at the University of Ibadan, Nigeria, a Digital Transformation Researcher at the Amsterdam University of Applied Sciences, and the Consultant Librarian and Project Director for the Afrelib Green Library Initiative in the UK.

<https://orcid.org/0000-0001-6014-3271>

## Other Members

- Dr. Everlyn Anduvare, University Librarian, Karatina University - Host & Co-Chair
- Dr. Sola Owolabi, Bells University, Nigeria - Member
- Oyebade Joshua Boluwatife, OCS Academy Netherlands - Member
- Dr. Carolyn Nyaboke, Lecturer, Technical University of Kenya – Member
- Mrs. Oyetoun Alonge, OCS Academy Netherlands - Member
- Ms. Jackline Wanjugu, Senior Library Assistant - Karatina University - Secretariat
- Ms. Mary Mwaniki, Senior Library Assistant - Karatina University – Secretariat
- Mr. Adenkunle Oyadeyi, IJCRIC Manager – Member

## Conference Theme

AI for a Sustainable Future Advancing Information, Communication, and Libraries for Innovation, Access, and Ethics Across Disciplines

## Conference Objectives

- **Examine AI Applications Across Disciplines:** Discover how AI transforms libraries, communication, healthcare, environmental studies, and legal systems, enhancing knowledge sharing, research, and decision-making.
- **Advance AI Literacy through Practical Workshops:** Engage in hands-on workshops with AI tools relevant to fields such as sustainable development, health information, and media.
- **Promote Ethical and Responsible AI Use:** Address ethical considerations in AI, including privacy, bias, and accountability, to encourage responsible practices aligned with societal and SDG goals.
- **Present Global Case Studies and Best Practices:** Showcase innovative AI applications from diverse regions, promoting collaboration on AI-driven projects with sustainable development impact.
- **Develop Strategic AI Frameworks:** Guide participants in crafting AI strategies tailored to their fields, promote sustainable AI adoption in healthcare, environmental studies, law, communication, and beyond.

## Sub Themes

1. AI for Sustainable Development Goals (SDGs) and Societal Impact
2. AI-Driven Knowledge Discovery in Libraries and Information Centers
3. AI in Education and Learning Systems
4. AI in Communication, Journalism, and Media
5. Ethical AI and Responsible Innovation
6. AI for Environmental Monitoring and Climate Action
7. Human-AI Collaboration in Publishing, Creative, and Cultural Industries
8. AI in Legal Systems, Policy, and Governance
9. AI for Digital Transformation and Sustainable Innovation
10. AI-Enhanced Research and Interdisciplinary Collaboration
11. AI for Accessibility and Personalized Engagement
12. AI and Multimedia Innovations
13. AI in Public Health
14. AI in Bibliotherapy and Cinematherapy
15. AI for Green Libraries and Sustainable Practices
16. AI Applications in Archives and Records Management
